Dashboard - Login Successful

After successful authentication, you will be redirected to the **Dashboard**. The dashboard displays your expense overview including Total Expenses, Monthly Average, Top Category, and Expense Count. You will also see charts for Spending by Category and Monthly Spending Trend.

Verify Your Identity

Confirm that you are logged in by checking the username displayed in the top-right corner of the page. Your name should appear next to the **Logout** button.

Troubleshooting

If you cannot log in, verify that your email address is correct and that your password matches. If you have forgotten your password, contact your system administrator. Ensure that your browser has cookies enabled for the application to maintain your session.
